

WE INVITE YOU TO JOIN US AT OUR

2022 SMOKE ALARM COMPLIANCE EDUCATIONAL EVENT

► ATTENDANCE IS FREE.

- ✓ **Everything you need to know** to achieve 100% compliance before the deadline
- ✓ **What the smoke alarm companies won't tell you** and what they don't want you to know

A once only educational event for property managers and their principals that will provide you the tools, knowledge and inside secrets to navigate the stringent new smoke alarm laws, make the process simple, to get the best deal for your owners and use these new laws to actually grow your business. This is a must-attend event for every property manager.

Why You Must Attend

With 450,000 rental properties still to be upgraded in the next 14 months, I estimate that 50% of properties won't be upgraded by the deadline. This means no rental income and the property cannot be rented out – this would be disastrous for you and your owners.

I will be showing you how to achieve 100% compliance before the deadline whilst saving your owners money and making the whole process simple and efficient for you. I'll be explaining the secrets you need to know that the smoke alarm companies will never tell you.

COVID 19 SOCIAL DISTANCING WILL
BE OBSERVED.
